

TCP Report

Year End Report for TCP Soccer Region (2022)

The TCP Soccer Region had an eventful year with many exciting developments and achievements across various teams and age groups. Here are some of the highlights from the season:

Holyrood Minor Soccer rebranded as CBC United. In a bid to revitalize their image, the Holyrood Minor Soccer association underwent a rebranding process and emerged as CBC United. The new name and logo are a testament to the association's commitment to inclusivity and teamwork. The change was well received by players, parents, and fans alike, and CBC United's teams went on to have an impressive season.

CBN Lightning entering the U12 Boys PYL. The CBN Lightning team made history by becoming the first team from the region to enter the U12 Boys Provincial Youth League. The league is a highly competitive platform for talented young players to showcase their skills, and the Lightning team rose to the challenge. Despite facing tough opponents from across the province, the team put up a strong fight and gained valuable experience that will serve them well in future seasons.

The Clarenville Area Soccer Association (CASA) had another successful season, showcasing their commitment to player development and teamwork. Their performance on the field was impressive, and they continue to be a force to be reckoned with in the league.

CBN Minor entering teams in many Jamborees. The CBN Minor association entered teams in several Jamborees across the region, giving their players the opportunity to play against different opponents and gain valuable experience. The teams performed admirably and showed that the region has a wealth of young talent.

The region had the most teams in NLSA jamborees and MEGAs since the pre-covid seasons. Despite the challenges posed by the pandemic, the TCP Soccer Region bounced back with an impressive showing in the NLSA jamborees and MEGAs. The region had the most teams participating in these events since the pre-covid seasons, a testament to the hard work and dedication of the associations, coaches, and players.

Overall, the TCP Soccer Region had a successful year on and off the field. The associations' commitment to inclusivity, player development, and teamwork was evident in the performance of their teams, and the region continues to be a stronghold for soccer in the province. We look forward to seeing what the future holds for the region's talented young players.
