NLSA Representative:	Damian Masterson
Referee Coordinator:	Michael Howlett

1.0 Tournament Meeting.

The pre competition meeting was held via zoom with some confusion as the original document sent said 8pm but the link for the meeting said 7pm, would like to thank Maria Mackey for chairing the meeting.

2.0 Officiating

Local officials were used for all games and there were absolutely no issues throughout the tournament with discipline (1 Yellow all week, 0 reds)

3.0 Accommodation.

Two hotels were used for the competition Hampton Inn and Suites is where NB stayed and reported that they had no issues whatsoever. Nova Scotia and PEI stayed at the Holiday Inn, unfortunately Nova Scotia were separated and on two floors and on the same floors were the rugby team from out of province resulting in some disturbances late at night and when the girls went to breakfast there was nothing left so they had to improvise and get supplies from Costco for breakfast that was supposed to be included.

4.0 Transportation.

This was provided for all visiting teams by City Wide Transportation and not one issue over the duration of the tournament with the transportation.

5.0 Fields

KGV was the main field for the tournament and Rainbow gully was used for one match to accommodate the early departure of PEI

6.0 Social

For the NL teams as they were not staying in the hotel they had two team meals each throughout the duration of the tournament GU13 had a team meal at East Side Marios and GU14 had their team meal at the legion and they all had a brunch provided by a couple of parents. The girls behaviour at all of these functions was second to none.

7.0 Medical/Physio

This was provided by St John's Soccer and the medical tent was available throughout the tournament. Taping was provided to players and most took advantage, Only twice were they called to the field to attend to serious injuries NB keeper with a rib Injury and NL player with a knee injury.

8.0 Opening and Closing Ceremonies

We had no ceremonies for the competition but there were presentations on the field during the medal games for gold, silver, and bronze.

9.0 Merchandise

Merchandise was available to all teams on Friday, Saturday and Sunday and teams also placed orders that will be shipped to them courtesy of Beresford Sports.

10.0 Tournament Passes

These were available to all at a cost of \$15 and individual entry to a game was \$5

11.0 Conclusion

First, I would like to thank Brian Murphy and Paul Mullett of St John's Soccer who made sure everything ran as smoothly as it did, Maria Mackey for her constant communication throughout the tournament with all the coaches and managers. Trevor Wragg and all the photographers for the countless pictures they took and posted. Craig Dyer for the twitter updates and pictures of the starting 11's. To Michael Howlett for organizing the officials and made sure all assignments were filled. To the players, coaches, and managers for the impeccable behaviour throughout the tournament on and off the field supporting your other teams when you didn't have a game yourself
