### 3.0 Games

Only two games from the whole tournament led to a delay in schedules one due to a bus driver going to the wrong hotel to cause a 10 minute delay and the other for an injury and waiting for an ambulance and again another 10 minute delay.

### 4.0 Officiating

Like every national tournament most are upcoming youngsters mixed in with locals and for the most part it was well done, I don't think we can have any complaints with our games.

### 5.0 Discipline

Mainly yellow cards for our teams with one red coming in the final game for SFP

### 6.0 Accommodations

Girls were all located at the Rodd Royalty which was close to the UPEI field and not far from the other locations, my only complaint about this hotel was that they were not very accommodating when it came to checkout as the closing ceremony was after and we had to fight to get a room to put all the luggage or even an extension on the room.

Boys stayed just down the road at the Holiday inn express maybe 5 minutes further away from the field and again no room was made available for luggage.

#### 7.0 Transportation

Excellent organized and the schedule was presented every night at the Provincial meeting and apart from the first day going to the wrong hotel the transportation was excellent.

#### 8.0 Fields

##### 8.1 Venue - Fields & Facilities:

UPEI Turf First Class, Terry Fox Complex was also first class and Parkman was typical of the last day 3 fields being used at the same time to get it finished in time for everyone to leave

#### 9.0 Hospitality / Socials / Banquets

9.1 Players Social None

9.2 VIP Dinner Provincial reps went with the LOC for a buffet style social

9.3 Tournament Evening Socials None

9.4 Game Officials Social Not sure as they were at a different location from us all

#### 10.0 Medical / Physio

Available at all three fields at anytime there was games going on

#### 11.0 Administrative Services N/A

#### 12.0 Security Prominent always

13.0 Opening / Closing Ceremonies opening attended by reps and two teams, closing was attended by all and medals and trophies were presented

#### 14.0 Communications

14.1 Programs paper copy available for free

14.2 Web Site maintained through comet

14.3 Media use of twitter and Facebook was used throughout the games for our teams

14.4 Newsletter N/A

14.5 Passes / Tickets Tournament passes were \$20 and day tickets were \$5

#### 15.0 Merchandise

Merchandise was pre ordered but there was some confusion as colours were chosen on the online form but when stuff was picked up, they were not right, eventually it was sorted, it was also available to purchase throughout the tournament prices ranged from \$70 for a hoodie to \$30 for a toque

#### 16.0 Local Weather

Sunshine every day throughout the tournament so no complaints

17.0 Laundry

Was available at both hotels

18.0 Sanctions

One to follow from the last game I expect for the red card dismissal to one of the Boys players

19.0 Conclusion

The tournament was run very well by Match commissioner Andrew MacDonnell from the opening meeting to the closing he was professional with everything and everyone, Dragos and Melissa kept things running smoothly at every field so there were no hiccups. I would personally like to thank Scott Betts who was in the hotel with the boys team and looked after them for the duration, Mark Peters who had to step in and act as the Manager after Tara could not travel, Coaches Paul Nunes and Christopher Douglas for a great week. Katherine Baker for all the attention to detail in looking after the girls and coaches Brian Malone, Shannon Goodyear and Dena Burke. To both teams your behaviour on and off the pitch this week was exemplary and even though there was a couple of issues in the boys hotel we were happy to report it wasn't any of our teams.
